CREW (Commercial Real Estate Women) Network is an international organization dedicated to transforming the commercial real estate industry by advancing women globally. With over 12,000 members worldwide, CREW members represent nearly every discipline with commercial real estate including realtors, brokers, attorneys, lenders, architects, accountants, developers, commercial interior designers, engineers, company professionals, environmental consultants and other related financial, marketing and consulting disciplines.

Founded in 2003, BirminghamCREW is proud to be an affiliate chapter of CREW Network. Our mission is to foster the success of women in commercial real estate. With that in mind, BirminghamCREW is pleased to offer the following sponsorship opportunities to the chapter's inaugural charity golf tournament. Proceeds from this event will support the CREW Network Foundation, the Birmingham-based non-profit Morgan's Closet, and the chapter's scholarship funds.

The following are opportunities for sponsorship opportunities for the BirminghamCREW Inaugural Charity Golf Tournament. We appreciate your consideration in supporting these impactful industry and community driven causes.
